

Welcome from our Chief Executive

I am delighted that you are interested in joining Carr Gomm's Board of Trustees.

Our Trustees play an important and valuable role in helping us work towards our vision for a society where everyone should have the support they need to make choices and control their lives as citizens.

We are looking for Trustees to join our Board, and welcome applications from people from diverse backgrounds who are energetic and passionate, and share our values and person-centred approach to supporting people with a variety of needs to lead their lives safely and do the things they want to do.

The aim of the Board is to have a vibrant, modern and sustainable organisation that can adapt to change.

We meet approximately 6 times a year on a Thursday evening from 5.30pm to 8pm, either in-person or online. There are opportunities to attend events involving people we support throughout the year, with our Annual General Meeting being held in November, at which time we appoint our new Trustees.

This post is unremunerated but all travel and out-of-pocket expenses will be reimbursed.

We hope that you will consider applying to join our Board and that you find all the information you need within this application pack, please do visit our website at www.carrgomm.org for further information, but if you would like to have an informal discussion about the opportunity then please contact me.
